COMPANY PROFILE

BIPICO Industries (Tools) Private Limited

Established in 1974, BIPICO Industries (Tools) Private Limited, based in Bilimora, Gujarat, India, is a leading manufacturer and exporter of industrial cutting tools. With over 51 years of legacy in the cutting tools industry, the company is ISO 9001:2015 TUV certified, strictly adhering to internationally recognised standards across all its operations. The company's corporate office is located in Mumbai, Maharashtra, and it maintains an additional international presence through its branch office and a wholly owned subsidiary, Bipico Tools Manufacturing, in Ajman, United Arab Emirates.

A Legacy of Excellence

As a pioneer in the Indian cutting tools sector, BIPICO has been at the forefront of manufacturing high-quality tools that cater to various industrial processes, including cutting, grinding, drilling, filing, polishing, deburring, and turning. The company's commitment to innovation and quality has solidified its position as a preferred solution provider in both domestic and international markets.

Global Presence and Market Leadership

BIPICO has established itself as a renowned brand, not only in India but also in over 25 countries worldwide. The company's robust export network, coupled with its Star Export House certification from the Government of India, underscores its international reach and reputation for quality. BIPICO has established strong and lasting partnerships with over 250 channel partners worldwide, supported by a dedicated team of more than 40 qualified engineers providing pre-sales and post-sales technical support.

Pioneering Innovations

Since its inception, BIPICO has remained a trailblazer in the cutting tools industry. In 1974, the company became the first in India to manufacture Hacksaw Blades, revolutionising the Indian cutting tools sector. In 2001, BIPICO achieved another milestone by pioneering the manufacture of Bimetal Bandsaw Blades in India, becoming one of the only two manufacturers of this product in the country. This continuous drive for innovation and quality has cemented BIPICO's status as a leader in the cutting tools domain.

State-of-the-Art Manufacturing

BIPICO operates a fully automated, high-tech manufacturing plant equipped with advanced CNC machinery imported from Europe. The company ensures the highest standards of production by sourcing the finest quality raw materials from Europe. Every product manufactured adheres to international standards, and the factory has a dedicated Research and Development (R&D) team that works relentlessly to improve product features and develop new solutions tailored to the ever-evolving needs of industries.

Commitment to Quality

BIPICO's in-house laboratory setup allows for thorough testing and inspection of products, from incoming raw materials through to the final packaging of finished goods. This rigorous quality control process ensures that every BIPICO product delivers optimal performance and reliability for its users, providing effective cutting solutions across various industries. Recently BIPICO Bimetal Bandsaw Blades is certified by BIS India.

New Horizons: Bipico Tools Manufacturing in Ajman

As part of its ongoing global expansion, BIPICO has successfully established and is now operating its wholly owned subsidiary, Bipico Tools Manufacturing, in Ajman, U.A.E. This strategic venture strengthens BIPICO's presence in the Middle East and surrounding regions, aligning with the company's broader goal of becoming a leading global provider of cutting tools. The subsidiary is already fully operational, expanding BIPICO's manufacturing capacity and providing tailored solutions to meet the region's growing industrial demands.

Customer-Centric Approach

With a strong focus on customer satisfaction, BIPICO continues to offer unparalleled technical support and personalised service to its customers worldwide. The company's technical team ensures seamless pre-sales consultation and post-sales support, further enhancing the experience of its global customers.

With more than five decades of legacy, advanced manufacturing facilities, innovative products, and a strong global presence, BIPICO Industries (Tools) Private Limited remains a symbol of quality, trust, and leadership in the cutting tools industry. As the company looks to the future, its commitment to excellence, innovation, and customer satisfaction will continue to drive its success and growth in the global market.
